Museum of Nature and Science

2201 N. Field Street, Dallas, TX 75201
214.428.5555

FROM THE NORTH

Via US-75 (North Central Expressway)

Southbound:

- Stay in the right lane as you approach downtown Dallas.
- Take exit 1A to I-35E-South/Waco.
- Take Field Street exit and merge to the middle lane (the exit lane is a left-turn only lane).
- Continue straight onto Broom Street.
- Turn left into the lot marked Main Museum parking (Lot B), located under Woodall Rodgers Freeway, across the street from the Museum.

Via I-35E Southbound:

- Stay in the right lane as you approach downtown Dallas.
- Take exit 429A to I-45-South/Houston.
- Follow signs and loop to the right toward Field Street.
- At the first stoplight, turn left onto N. Field Street and stay in the left lane.
- At the next stoplight, turn left onto the Woodall Rodgers Freeway service road (Broom Street).
- Turn left into the lot marked Main Museum parking (Lot B), located under Woodall Rodgers Freeway, across the street from the Museum.

Via Dallas North Tollway Southbound:

- After passing the toll plaza at Wycliff Avenue, stay in either of the two left lanes as you approach downtown Dallas.
- Follow the sign toward Harry Hines Blvd./Downtown.
- After merging onto Hines Blvd., gradually move into the right lane.
- After you pass the stoplight at Payne Street, immediately bear right to reach N. Field Street.
- Continue straight until you reach the stoplight at the Woodall Rodgers Freeway service road (Broom Street).
- At that stoplight, turn right onto the service road (Broom Street).
- Turn left into the lot marked Main Museum parking (Lot B), located under the freeway, across the street from the Museum.

Museum of Nature and Science

2201 N. Field Street
Dallas, TX 75201
214.428.5555

On I-35E Northbound:

- At the I-35/I-30 split, veer left to stay on I-35E-North/Denton.
- Stay in the right lane as you approach downtown Dallas.
- Take exit 429B to Continental Avenue.
- Turn right onto Continental Avenue.
- Turn left onto McKinney Avenue.
- Turn left onto N. Field Street and stay in the left lane.
- Turn left onto the Woodall Rodgers Freeway service road (Broom Street).
- Turn left into the lot marked Main Museum parking (Lot B), located under the freeway, across the street from the Museum.

On I-45 Northbound:

- Stay in the right lane as you approach downtown Dallas, at which point I-45 will become I-75.
- Take exit 286A to I-35E-North/Denton.
- Exit at Field Street and merge to the middle lane (the exit lane is a left-turn only lane).
- At the N. Field Street stoplight, continue straight.
- Turn left into the lot marked Main Museum parking (Lot B), located under Woodall Rodgers Freeway, across the street from the Museum.

FROM THE EAST

On I-30 Westbound:

- Stay in the right lane as you approach downtown Dallas.
- Take exit 47B to merge onto US-75-North/McKinney.
- Take exit 286A to I-35E-North/Denton.
- Exit at Field Street and merge to the middle lane (the exit lane is a left-turn only lane).
- At the N. Field Street stoplight, continue straight.
- Turn left into the lot marked Main Museum parking (Lot B), located under Woodall Rodgers Freeway, across the street from the Museum.

FROM THE WEST

On I-30 Eastbound:

- Stay in the left lane as you approach downtown Dallas.
- Take exit 45A to merge onto I-35E-North/Denton.
- Take exit 429B to Continental Avenue.
- Turn right onto Continental Avenue.
- Turn left onto McKinney Avenue.
- Turn left onto N. Field Street and stay in the left lane.
- Turn left onto the Woodall Rodgers Freeway service road (Broom Street).
- Turn left into Lot B, located under the freeway, across the street from the Museum.

Handicap and hybrid/electric vehicle parking

Available in the parking lot directly west of the Museum, near the Woodall Rodgers Freeway service road (Broom Street).

To reach this restricted lot:

- Drive north on N. Field Street.
- Turn left onto River Street, directly behind the Museum.
- Press the call button at the lift-bar barricade.
- The handicap entrance to the building is located adjacent to these parking spaces.
